

Zoo at the Seoul Grand Park

Zoological gardens of Seoul Zoo keep over 3,400 individual animals belonging to about 360 species from all over the world, including rare species, such as lowland gorilla, in near-wild state classified by origins, life modes and ancestries.

Greenhouse plant garden gives visitors a feeling that they are in forest of all trees of the world with its plants of over 1,300 plant species on show. It is also a great pleasure to walk along 7.4km-long hillside path that goes through Nature Immersion Area surrounding zoological gardens absorbed in refreshing woods and listening to vigorous shouts of youngsters from the Youth Training Center. You can see a number of ducks swimming in the lake in front of the entrance to the zoo, couples and families absorbed in appreciating fascinating beauty of roses of over 20,000 belonging to over 200 species and brides in gorgeous dress to have photos taken in Rose Garden.

At Children's Zoo next to Rose Garden, kids can freely play with cute and gentle animals, such as lambs, goats and llamas, on wide, open space.

If you'd like to get a perspective of the whole area of the park, you may ride the sky lift which will take you to the entrance of the zoo over the distance of 1.7km in the air, or you would like to take a stroll with your boy or girlfriend, you are recommended to take the promenade that goes around the lake.
