

JUMP Martial Arts Performance

The musical **JUMP** is a non-verbal performance based on Taekwondo, a traditional Korean martial art. It will make the audience laugh and applaud throughout the show. The musical will show advance martial art movements from Taekwondo, acrobatic, and Taekkyeon (Korean traditional martial art) along with non-verbal music in a harmonious way.

This performance was given a favorable reception earned the top box office award at the Edinburgh Fringe Festival in 2005. Its popularity was also reflected in its ticket sales. **JUMP** is sold out almost everyday. As **JUMP** continues to present endless comic episodes, you definitely won't feel bored. You may feel like you're watching a real live TV sitcom drama. It is also open to audiences of all ages from various countries. The musical starts its opening scene by selecting a martial arts master among the audience. If you go without any prior expectations, each performance will be a whole new feeling. The audience can double their enjoyment during the performance.

Story: This musical tells about an eccentric family who brags about their amazing martial art skills. The story begins with a man who is in love with the daughter of this family. One day, he decided to visit her house in which the lady's grandfather, father, mother and uncle live together. They are all masters of martial arts. Since her grandfather loves to practice martial arts with all the family members every day, the man has no choice but to join them.

However, contrary to his weak appearance, he discovers that he is actually good at martial arts and the daughter begins to fall in love with him. During his visitation, two thieves break into their house but there is nothing for them to steal. All they could do is just run away before they get caught.
