## About British Education Korea

**Ambitious** private educational institution

Provide outstanding individual **attention** and care

Help every child **achieve** more than they thought possible

We live by our values - **Compassion, Courage** and **Confidence** - and inspire our students to do the same.

## Holistic Education

We recognize each child as unique and offer them a **holistic education**.

**Specialist teachers** for Music, Mandarin, Violin and PE.

Curricular areas covered include:

Languages  
(English and Mandarin)

Personal, Social and  
Emotional Development

Mathematics

Understanding the World  
(Science, History,  
Geography and Technology)

Physical Education

The Arts  
(Music, Visual Arts, and Drama)

## Our Students

Are at the heart of all that we do and we provide happy, secure, meaningful settings where **every student** is encouraged, nurtured and inspired.

Start their learning journey from **Nursery (24 months old)**, and many graduate from our Secondary campus in Gangnam.

Leave us well prepared to enter **universities** around the world

## Experienced and Trustworthy Teachers

Experienced, passionate **native English-speaking** teachers.

Teacher to student ratios **1:6** and **1:8**

We are committed to **safeguarding** children and young people.

All our staff are subject to **rigorous background checks** before joining the school.

## School Life

School day begins with a warm welcome at **9.00** and ends at **3.50**.

Spacious, **bright classrooms**; library; cafeteria and gym

Nutritionally **balanced lunches**.

Concerts, field trips and outdoor activities

Interesting and **fun events**, such as Sports Day, Literacy Week and Environment Week.

**Cultural celebrations** throughout the year such as Chuseok, Christmas concerts and International Week.
