HQ AFPC/SVOF has delegated exception authority to installation commanders to meet local mission requirements. Definitions of the policy and authorized 51 FW exceptions to the one entrée policy are:

- a. Main entrees are considered the main meat and pasta dishes from the Main Serving Line and chicken breast from the Snack Line.
- b. Customers may take no more than four (4) boiled eggs at breakfast and no more than one (1) hamburger, or hotdog, or any sandwich item at lunch/dinner to augment their one main entrée.
- c. Specialty Meals including Thanksgiving, Christmas, Birthday, Mongolian and Flight line BBQs are exempt from the one entrée policy.
- d. Members in UOD or PT Gear taking meals to-go for mission requirements or time constraints are exempt from the one entrée policy and can be served no more than two (2) entrees.

- a. Customers may bring their own clean, plastic food storage containers for to-go meals. All meals will be plated on dining facility dishes and once members have proceeded through the cash registers, they can transfer their food from the dining facility dishes to their personal containers.
- b. Personal containers will not be given to food servers for filling or utilized at self-service bars to due to sanitation concerns.
- c. The above procedures have been coordinated through 51 AMDS (Public Health).

3. The following carryout serving guidelines will be implemented for all members in and out of uniform to ensure our dining facilities stay within Air Force standardized daily food costs.
