Other Important Information:

1. Every child is guaranteed half a game of playing time. Our philosophy upholds the old adage, "It is better to play on a losing team than to sit the bench on a winning team."
2. You cannot request a team or coach!
3. Teams will be formed and game schedules will be created once registration has closed. Game scheduling is depending on how many children participate and how many teams are formed.
4. Parents must supervise all children during the games.
5. Please volunteer as team parent to assist our wonderful volunteer coaches.
6. All jewelry and watches must be removed.
7. All trash (from snacks) will be picked up by each team after each game.
